17. To see if the Town will vote to authorize the Board of Selectmen to borrow monies from time to time, to pay current maintenance and operation expenses for the ensuing year, in anticipation of taxes.

18. To see if the Town will vote to authorize the Board of Selectmen to sell property acquired by Deed of the Tax Collector by public auction or sealed bids.

19. To vote on the Question "Shall the provisions of Chapter 287 of the Revised Statutes Annotated relative to playing games of beano be adopted in this town?"

20. To see if the Town will vote to adopt the provisions of the Municipal Budget Law. This article to be voted on by secret ballot. (This article inserted by public petition).

21. If the above article is adopted to see whether the member-at-large of the Budget Committee shall be elected by the Town Meeting or appointed by the Moderator and to determine whether the Budget Committee shall consist of 3, 6, 9 or 12 members-at-large.

22. To see if the Town will vote to construct and maintain a public parking lot on property on Main Street provided a suitable lease can be arranged with the owner, Christ The King Roman Catholic Church. It is estimated that a minimum of eighty cars can be accommodated and that the construction would cost approximately \$11,000.00.

23. If the foregoing Article Number 22 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated and for this purpose authorize the issue of serial notes or bonds of the Town under and in accordance with the provisions of the Municipal Finance Act or any other enabling authority, delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notes and providing for the sale thereof.

24. To see if the Town will vote to authorize the Board of Selectmen to replace the front end loader for the Highway Department on the most favorable basis and at a cost not to exceed \$25,000.00.

25. If the foregoing Article Number 24 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated and for this purpose authorize the issue of serial notes or bonds of the Town under and in accordance with the provisions of the Municipal Finance Act or any other enabling authority, delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notes and providing for the sale thereof.

26. To see if the Town will vote to accept the option to purchase approximately 13.9 acres of property from A. E. Reid at the agreed price of \$300.00 per acre as determined by actual survey. Said property is located adjacent to the existing Maple Street Cemetery and would be an extension of the boundary thereof.

27. If the foregoing Article Number 26 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated and for this purpose authorize the issue of serial notes or bonds of the Town under and in accordance with the provisions of the Municipal Finance Act or any other enabling authority, delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notes and providing for the sale thereof.

28. If the foregoing articles are adopted, to see if the Town will vote to raise and appropriate the sum of \$1,500.00 to commence clearing, laying out roads and preparing property in general for future use as cemetery.

29. To see if the Town will authorize the sum of \$7,500.00 toward the Bi-Centennial Celebration and \$7,500.00 toward the writing and publishing of the Town History as requested by the Bi-Centennial Committee.

30. If the foregoing Article Number 29 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated and for this purpose authorize the issue of serial notes or bonds of the Town under and in accordance with the provisions of the Municipal Finance Act or any other enabling authority delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notes and providing for the sale thereof.

31. To see if the Town will vote to authorize the purchase of a new police car equipped with all band radio at a cost not to exceed \$5,000.00.

32. If the foregoing Article Number 31 is adopted, to see if the Town will vote to authorize the Board of Selectmen to borrow on the credit of the Town the sum of money so raised and appropriated

and for this purpose authorize the issue of serial notes or bonds of the Town under and in accordance with the provisions of the Municipal Finance Act or any other enabling authority delegating to the Board of Selectmen the discretion of fixing the date, maturities, denominations, the interest rate, or discount rate or notes and providing for the sale thereof.

33. To see if the Town will vote to authorize the Board of Selectmen to establish a committee to explore and consider the location and construction of a new Highway garage and appropriate a sum of money not to exceed \$1,000.00 for any expenses involved.

34. To see if the Town will vote to accept a gift of land and take over a road forty (40') in width now owned by Bela Sveda and know as Belabacchi Road. Said road running approximately 420 feet southeasterly from Beech Hill Road thence 610' in a southwesterly direction then 480 feet northwesterly back to Beech Hill Road. Area contains 16 building lots most of them sold and six homes already constructed or in the process of construction.

35. To see if the Town will vote to accept a gift of land from Warren and Eleanor Kidney as required to relocate and widen Cherry Valley Road in exchange for the conveyance of any discontinued portion of the existing road to said Warren and Eleanor Kidney.

36. To see if the Town will vote to accept a gift of land from St. Mary's-in-the-Mountains School to permit widening the road and improving the existing curve thereby decreasing the current traffic hazard on West Farm Road.

37. To see if the Town will vote to authorize the Board of Selectmen to lease the operation of the Golf Course to any interested party for a period, not to exceed three years at the most favorable terms possible. Any lease so negotiated will automatically delete the necessity for the appropriation included in the budget.

38. To act upon Article 18 of the 1972 Warrant tabled at last Town Meeting. The article as amended — "To see if the Town will vote to instruct its Selectmen to appoint a highway agent who, under the direction of the Selectmen, shall have the same power and perform the same duties as a Highway Agent elected by the Town."

39. To see if the Town will vote to adopt the following ordinance with regard to licensing and regulation of dogs (inserted by public petition).

TOWN OF BETHLEHEM, N. H.

**AN ORDINANCE FOR THE LICENSING AND
REGULATION OF DOGS**

Section 1. DEFINITION OF TERMS. As used in this ordinance, unless the context otherwise indicates,

- A. "Dog" shall be intended to mean both male and female.
- B. "Owner" shall be intended to mean any person or persons, firm, association or corporation owning, keeping or harboring a dog.
- C. "At Large" shall be intended to mean off the premises of the owner, and not under the control of the owner or member of his immediate family either by leash, cord, chain or otherwise.
- D. "Leash" shall be considered to be not over 6 ft. in length.

Section 2. No owner or keeper of any dog shall permit such dog to run At Large.

Section 3. IMPOUNDING.

It shall be the duty of police officers (or some other designated official) to apprehend any dog running at large and to impound such dog in the town pound or other suitable place. The police officer (or some other designated official) upon receiving any dog shall make a complete registry, entering the breed, color, and sex of such dog and whether licensed. If licensed he shall enter the name and address of the owner and the number of the license tag. Licensed dogs shall be separated.

Section 4. NOTICE TO OWNER AND REDEMPTION.

The owner shall be notified not later than two days after the impounding of any dog. The owner of any dog so impounded may reclaim such dog upon payment of the license fee, if unpaid, and of all costs and charges incurred by the Town of Bethlehem for impounding and maintenance of said dog. The following charges shall be paid to the Town of Bethlehem: for impounding any dog, \$4.00; for keeping any dog, \$4.00 per day up to ten days.

Section 5. CONFINEMENT OF CERTAIN DOGS.

No dog of fierce, dangerous or vicious propensities and no female in heat, whether licensed or not, shall be allowed to run at large or upon the premises of one other than the owner. If such dog is found running at large in violation of this provision it shall be taken up and impounded and shall not be released except upon approval of the police officer (or person designated by the town) after payment of the fees provided in Section 4, provided, however, that if any dangerous, fierce, or vicious dog so found at large cannot be safely taken up and impounded, such dog may be disposed of by any policeman.

Section 6. HABITUAL HOWLING, YELPING, OR BARKING — DECLARED NUISANCE.

The keeping or harboring of any dog, licensed or not, which by habitual howling, yelping, barking or other noise disturbs or annoys any person or neighborhood is unlawful, and is hereby declared to be a nuisance and each day shall constitute a separate offense.

Section 7. DAMAGING PROPERTY.

It shall be unlawful to suffer or permit any dog to trespass on private or public property so as to soil, damage or destroy any property or thing of value and the same is hereby declared to be a nuisance and any such dog may be impounded by the police officer (or a designated person). Whenever it shall be affirmed in writing by three or more persons having separate residences, or regularly employed in the neighborhood that any dog is a habitual nuisance by reason of trespassing, howling, barking, or other noise, or damage to property, being vicious or by its actions potentially vicious or in any other manner causing undue annoyance, the police officer (or designated person) if he finds such nuisance to exist in fact, shall serve notice upon the owner or custodian that such nuisance must be abated within 48 hours after which the police officer shall decide whether such nuisance has been abated and if not, any such dog shall be impounded. Refusal to release to the police officer any such dog shall constitute a violation of this chapter. That the owner or custodian of any dog impounded under the provision of this section, shall pay to the Town of Bethlehem a fee of five dollars (\$5.00) in addition to all other charges payable under the provisions of this chapter.

Section 8. PENALTIES.

Any owner found violating any provision of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than five dollars nor more than twenty-five dollars for such offense.

Section 9. EFFECTIVE DATE.

This ordinance shall be in full force and in effect April 6, 1973.

40. To see if the Town will choose one or more auditors for the ensuing year.

41. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 12th day of February, in the year of our Lord nineteen hundred and seventy-three.

SELECTMEN'S REPORT

In order to keep you, the residents of Bethlehem, informed as to what has transpired in "Our Town" in 1972 we submit to you the following report.

With the adoption of new zoning laws and subdivision regulations in 1971, the Zoning Board of Adjustment and the Planning Board have had a sizeable workload. The Zoning Board has handled twenty-four cases which ranged from routine to rather lengthy and involved decisions. The Planning Board, charged with the administering of all subdivisions, has approved fifteen cases and has two applications pending. Many of these cases have required extensive study by the Board to protect the interests of the Town and one case currently may involve litigation. This year the Board plans to begin checking conformity of plans submitted to date.

This past year has seen a considerable amount of new construction begun or permits applied for. Actual new construction in the town is recorded by category as:

18 Permits for single family dwellings	\$225,000.00
1 Permit for multi-family dwellings	\$ 30,000.00
15 Permits for garages and alterations	\$ 35,800.00
5 Permits for commercial construction	\$183,000.00
1 Permit for fraternal lodge construction	\$190,000.00
	<hr/>
Total	\$663,800.00

These figures are an indication of the rapid growth of Bethlehem for year round and seasonal buildings.

Effective September 1, 1972, the ambulance had to be certified by the State pursuant to RSA HR151 and also have trained personnel. Under the direction of Norman McCulloch, the ambulance has been carefully equipped and twenty-seven interested people have successfully completed a first aid course and are now qualified to handle the ambulance and sick or injured persons. These people have willingly given much of their time and we wish to thank them and say, "Well Done."

In an effort to cut down on unnecessary expenses and to take advantage of the buying power of the State, this office has instituted a purchase order system. All department heads have been notified that all purchases over \$100.00 must be approved by the Selectmen before the order can be given. This gives us an opportunity to compare prices and quality with the State contracts.

The Town suffered a severe financial setback in 1972 as a result of an unfavorable decision by the State Tax Commission. The Tax Commission appraiser, during the revaluation of all property in the Town, placed a value on St. Mary's-in-the-Mountains for 1971 in the amount of \$726,150.00. The school promptly appealed and was turned

down by the Selectmen. An appeal to the Tax Commission by the school resulted in a reduction of their assessment to \$294,750.00 due to the introduction of an economic depreciation factor as most private schools allegedly are having financial difficulties. The selectmen met with the Tax Commissioners and school representatives in Concord but to no avail. It appears that the Towns have no right to appeal. The net result was that the Town had to pay back to the school the amount of \$11,688.32 for the year 1971. The 1972 assessment on the school property was increased about 10% because of an increase in the enrollment which makes the economic depreciation less. This assessment has also been appealed. We feel that this situation has to be studied in more detail as all indications point to the fact that the school property is actually worth well over \$1,000,000.00.

Summer of 1972 brought the completion of Route 116 construction by the New Hampshire Department of Public Works and Highways and a dangerous section of road was eliminated. The new road is of limited access design and is a tremendous improvement. Upon completion of the new section, the State turned portions of the old road over to the Town after repaving them.

The highway department started a reconstruction project on Cherry Valley Road near the Warren Kidney residence to eliminate a bad curve at that location on land that Mr. Kidney agreed to donate. Because of a new culvert at Barrett Brook, permission had to be granted by the Water Control Commission in Concord which caused some delay. This entire job is being done with TRA Funds and is expected to be completed this Spring.

DOGS, DOGS, DOGS — one of the biggest headaches and sources of aggravation in this office. Almost weekly we receive complaints about dogs for various reasons. In the warrant this year is an article inserted by petition calling for a leash law to be enforced by the police department. The situation has gotten out of hand and people have been bitten, knocked down and harrassed by dogs and are justified in making complaints. Something must be done before "Our Town goes to the dogs."

In conclusion, we would like to thank all those who have helped with the complex business of administering a growing town and ask that your support will continue in the future.

Sincerely,

ALISTAIR D. MacBAIN
JOHN C. KELLER
ANTHONY PEPITONE

TOWN OF BETHLEHEM, N. H.
CERTIFICATE OF AUDIT

This is to certify that I have audited the accounts and records of the Town of Bethlehem and the Bethlehem Village District for the fiscal year ended December 31, 1972 and found them to be in good order.

In my opinion the reports included herein reflect the true financial condition of the Town together with the results of operations for the fiscal year ended December 31, 1972.

Respectfully submitted,

WALTER F. BLANDIN
Acting Auditor

REPORT OF SUPERINTENDENT

To the Board of Education and Citizens of the Bethlehem School District:

As Superintendent of Schools, it is with pleasure that I submit my seventh annual report to you.

During the past year (1971-1972), there were 244 pupils enrolled at the Bethlehem Elementary School with an average membership of 204. There were 70 tuition pupils attending schools outside the district, 68 enrolled at Littleton High School and 2 at the White Mountains Regional High School.

This school year there are 240 pupils attending Bethlehem Elementary School, Grades K through 8. At the present time, there are 80 tuition pupils enrolled at Littleton High School and 2 at the White Mountains Regional High School. The tuition rate is \$1,125.00.

Principal May's report notes many of the areas and the direction that have been taken in the Bethlehem Elementary School. The concepts programmed in our Elementary Education have, under the leadership of Mr. May and Mrs. Rita Besaw, Assistant to the Superintendent, established one of the strongest elementary programs with the finest modern practices in New Hampshire. Individualized learning, open concepts, utilization of values, and employment of aids have all assisted these programs. The staff that has been employed incorporates the many facets of our dedicated educators. We enjoy an unusual balance regarding age, training, sex, background, and philosophy with our staff. The administrators that make judgement and assist our Board with policy, have, in my opinion, established an outstanding unit, made decisions with knowledge and exercised a fine degree of leadership.

There is serious concern on the part of all connected with our whole school unit; the cost of education. Sal-

aries have increased rapidly even though there are many that believe there is a surplus of teachers. The dedicated educators that possess the many abilities desired here in Bethlehem, are still in and really have always been in short supply. At the direction of your Board of Education, an effort has been made to continue seeking this outstanding teacher. The other areas that the Board is concerned with are transportation, materials, supplies and these charges have increased rapidly in direct proportion to the increases we all know in our various positions and family situations. These are all our concerns, but there is little one can do to combat these rising costs throughout, without cutting programs and/or quality. The study that has been and is being conducted with your surrounding school districts notes these concerns and is constantly attempting solutions. These solutions will be forthcoming, not from our local people, but from units and agencies far removed from Bethlehem, namely, the State Legislature, U.S. Congress and the Courts systems. The Court within a short time must rule one way or another regarding property taxes as they relate to the support of education. The N.H. State Legislature is wrestling with education costs as well as other State Government demands. The U.S. Congress has reduced, substantially, the Federal aids we have received in the past several years. With these reductions in revenues, the local community must assume the responsibility. One can not predict the outcome, as, he, like you, can only have opinions.

In closing, I have, in the past reviewed Supervisory Union structure, the staff, its aims and purposes as well as other related items. This year, by direction, there is a WHITE MOUNTAIN SUPERVISORY UNION #35 REPORT. I sincerely hope that you will take time to study it, note the many pictures of your children and this will give you a better view of your ad-

ministration. These pictures tell more than words can express.

The Central Office wishes to extend to the citizens of Bethlehem an invitation to visit us and become more aware of the services provided by our staff and the benefits which are derived by all the towns served by our Supervisory Union.

In closing, I wish to thank the members of the Bethlehem Board of Education for their efforts in the betterment of the education of your school district. We also wish to express our gratitude to Mr. May and his staff for their concern for the needs of the Bethlehem children and their interest in the plan of education that our Supervisory Union is developing.

Respectfully submitted,

WILLIAM GRASS, JR.

Superintendent of Schools

PRINCIPAL'S REPORT

To: William Grass, Jr., Superintendent of Schools

It appears sensible at this time to write the principal's report in such a manner that comparisons can be reflected by paralleling the format of the Report of 1971.

Bethlehem's School population has increased to 240 students from grade K-8. A comparison: in 1965 with grades K-12 the enrollment was 160 students.

We have tried to meet quality minimum standards by the addition of two staff members. Both of these staff members have alleviated the overcrowding of certain grades and are serving the students with personalized instruction. Through the use of volunteers, local citizens, and other resources, we have been able to lessen the burden of work with Jr. High students.

Many of the Jr. High problems have been solved by a personalized program, and more out of school projects that will have an ongoing possibility and lasting effect. Growth in personalized instruction and program offerings are on the increase and beginning to prove their value.

A fact of some concern to the faculty is the amazing number of students coming to our school from out of state and various kinds of educational systems.

The faculty at the Bethlehem School has been undergoing many changes in attitudes about learning. It is willing to become more involved with each child and update their techniques. The faculty, as a team, is working harder, closer together and taking on more responsibilities.

Many challenging decisions will come before the community soon. The community must realize the building has no more room left for instructional purposes unless certain areas of the building are to give up their designed purposes or additions constructed.

PROGRAMS

Student Teacher Training Program for Education Majors

North Country Home Health Agency serving our students eight hours per week, with nurse on call during all school hours.

Rocketry—Math and Science.

Photography

Physical Education, K-8, Track and field, soccer and basketball, Jr. High.

Student Council—service to community and school.

Career Development.

Personalized Instruction, grades 6-8.

Jr. Ski with Bethlehem Ski Club as sponsor. Jr. High students act as monitors and two chosen as instructors.

School Camping/Ecology Project — expanded to grades 7 and 8. A syllabus has been designed to balance community involvement and academic needs.

Continued efforts made toward implementation of minimum standards for elementary school (K-8).

Summer School—serving sixty students in remedial reading, art and ecology/geology field trips.

Community staffed school library—Monday - Friday 8:30 - 11:30 a.m.

Visual Handicapped for two Bethlehem students.

Neighborhood Youth Corps—four students worked at school in various capacities.

Personal Interviewing of all teacher candidates at

place of employment and recommendation—five new teachers were employed.

Remedial programs have expanded to meet the needs of the children with learning disabilities.

With the added attendance, expansion of programs and heavy use of every part of the buildings and grounds the work load has increased sharply. Much praise and appreciation must be given to our supportive staff. These people served faithfully and without fault:

Mrs. Eva Miller, School Secretary
 Mr. William McKenna, Custodian
 Mrs. Lucie Brooks, Head Cook
 Mrs. Elizabeth Jackle, Assistant Cook
 North Country Home Health Agency
 (Littleton) Nurse

White Mountain Community Services has served the school in an exceptionally fine manner. The referrals were handled beyond the usual care taken. Referrals were family orientated, testing given in an exceptionally fine manner and corrective measures made clear so that remediation and special techniques could be used.

Bethlehem School received excellent support and consultation from the Supervisory Union Office under the administration of Superintendent of Schools, Mr. William Grass, Jr. Field support came from:

Mrs. Rita Besaw
 Mr. Joseph Joseph
 Mr. Daniel Worcester
 Mrs. Kathleen Brown
 Mr. John Huddleston
 Mr. Harry Fladd
 Mr. Dick Friedman

We, the faculty of the Bethlehem School felt our efforts were really expanded and aided by the services

of these field personnel. The field personnel, Supervisory Union 35 office staff, were able to provide follow through programs that served the students of this district regardless of grade.

In summarizing the future of Bethlehem School, it is apparent that additional staff will be needed and building renovated, or additions will have to be made if current enrollment stabilizes or expands.

Work has been done on all of the concerns of the 1971 report and improved upon. However, as long as enrollment continues to increase, the concerns will remain and improvements will have to be made!

The following repairs and improvements were done to the building in 1971-72.

1. Front hall painted.
2. Grade two and seven rooms painted.
3. Stair treads replaced east entrance of building.
4. Fluorescent light installed remedial reading room.
5. Base cove replaced in halls, kitchen and grade 4.
6. Refinished floors in grades six and seven.
7. Painted playground equipment.

Respectfully submitted,

JOSEPH MAY, Principal
Bethlehem Elementary School

B. DENTAL PROGRAM—

by R. H. Enderson, D.M.D.

Number of students treated—45

Proctor & Gamble Company supplied tooth paste and tooth brushes in kits as a teaching tool for Grade 3. Individual instruction was given to each student.

C. HEALTH EDUCATION PROGRAM

Several types of health films and classes were held this year. Nutrition films were used extensively.

Health films were shown to the 5th, 6th, 7th and 8th grades. Parents were invited to either preview or join the class during the film and lecture. Dr. David Hartson of White Mountain Community Services led the lecture following a film for

boys in grade 6 through 8. Discussion periods following each lecture were lengthy and class participation excellent.

Monthly workshops for school nurses were held at the hospital by White Mountain Community Services.

Respectfully submitted,

JUANITA D. GILPIN, R.N.
School Nurse
